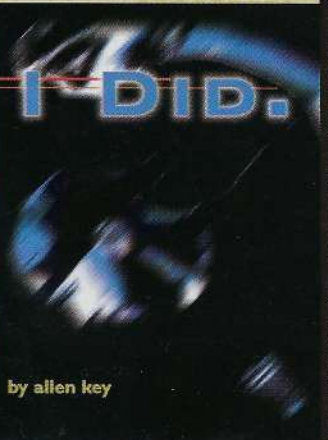
# JUST DO IT?



everyone talks about individualistic skating. expressing yourself. well, i am. in the shadows of my skater bros. and that's the way i like it.

i can wear whatever i want. i like stripes down my pants. i like baggy looks. but, i do care what pro skaters do, because to me, it matters too. if i want to bite off someone's style, then i will. screw off. stay out my way. because i'm impressionable. i know who my "Jordans" are. i like where i'm going and i like what i do. i don't need anyone to tell me who i need to look up to or who to care about. it's my planet and when i want to just do it, i will.

i've never done a frontside. never have and never will. you think you know what cool is. haven't you heard, EVERYBODY'S DOIN' IT!! ain't it cool. if i think a trick sucks. it sucks.

I DON'T GIVE A DAMN WHAT SKATEBOARDERS THINK. by allen key

# HOP, ~~SKIP~~, JUMP

***Panasonic ShockWave® portable CD players with Anti-Shock Memory are designed to keep your music from skipping.***

*ShockWave portable CD players are designed for people who like to take it to extremes. So they get technical with a system called Anti-Shock Memory.*

*Music is stored in a digital system, with up to 4 Meg of memory, just like a computer. When a bump or vibration causes a tracking problem, the music plays back from memory. So even when you're ripping it up, your music stays totally locked down.*

*ShockWave portable CD players are also water-resistant and shock-resistant, to take radical launches and bummer weather and still keep on rocking.*

*So get aggressive with a ShockWave portable CD player. Whether you're on the street or in your favorite seat, they're truly awesome. But, hey, that's no shock. They're from Panasonic.*

# TEAM PARADISE

America's In-Line Headquarters

Can you say 1997 USAC/RS National Hockey Champions?!!
Can you say USA Hockey Inline National Champions?!!
The Team Paradise Beach Boys have kicked some butt this year.

**And we're going to brag!**

That's right. We sent a bunch of California beach bums to the USAC National Championships in Des Moines, Iowa and the USA Hockey Championships in Darien, Illinois. The Beach Boys? These guys grew up riding waves and tanning in the California sun. Were they really supposed to compete with hard-nosed East Coasters who grew up playing ice hockey? Compete with guys who laughed at the opportunity to pound a couple of Californian wimps into the boards? Justin, Manu, Ivan, Noah, Brito, Butch, Mo, Bowen, Matt, Cheng, Sean, Tony, Steve, Wudi and Alex, congrats to you all. We're proud you're skating for us.

Once again, we've worked to gather the **greatest selection of in-line skating products** in the world. Check it out. You'll find a few **hot new skate lines** and accessories, the latest technology and a variety of **cool holiday gifts and stocking stuffers.**

As America's In-Line Headquarters, our goal is to provide you with the **highest quality, friendly service** anywhere in the world. Our customer service department and technical hotline have been beefed-up to help better serve you during the holiday season. Our in-line skating specialists are waiting by the phones to answer any questions you may have.

So keep skating. Keep the in-line movement growing. And be well equipped.
